Families Information Service

Are you looking for a day nursery?

Supporting Parents...Supporting Families

Day nurseries provide care and education for children aged between six weeks and five years.

Most day nurseries offer flexible care such as full time, part time or on an hourly basis and you pay for the care that you need. Some offer pick up and drop off services which wrap around school nursery sessions.

Some nurseries are registered to provide 15 hours of free and flexible early learning (formerly nursery education) for three and four year olds. These places are available from the term after the child's third birthday.

For more information on nurseries in your area or for further details on the 15 hours of free, flexible early learning contact us
