

# County Durham Families Information Service

## Live-in Care - The Good Care Group

We provide bespoke live in care services across the UK. Our personalised live in care packages ensure that your care needs will be met within the safe and familiar surroundings of your own home.

We believe in a person centred approach to care this is why we carefully match our expertly trained live in carers to your needs and personality.

We also offer specialist care for conditions such a dementia and multiple Sclerosis ensuring you receive professional care and support without having to leave the comfort of your own home.

For more information about how we could help you please visit our website or contact us.
