

Newton Aycliffe Model Flying Club

We are one of the longest running model flying clubs in County Durham and offer good facilities to all flyers. We have around 35 members and are always ready to welcome more. You do not need any flying experience.

We make a point of welcoming beginners to this wonderful hobby and give our time freely for tuition and advice.

We fly all types of models and enter club competitions

Please visit our website for more information.

Summer meetings are held at Carrsides Farm every Friday evening and flying takes place from Carrsides Farm every Sunday afternoon, weather permitting.
