

Elaine Vickers

I have been an Ofsted registered Childminder since June 2010, and I am thoroughly passionate about my work in childcare. I live in Sedgefield with my husband Ian, and son Charlie, who is 14 years old. My role is to ensure that the children in my care, are all safe, happy and well cared for.

We live in a spacious three bedroomed house on Winterton Park, which is well maintained, clean and child friendly. There is a wide range of toys and activities inside and also out in the garden. The garden is well secured with high fencing and the gate is locked at all times. We try to be outdoors as much as we can, doing activities, or going for long walks, so the children can explore the nature around us.

I have a Paediatric First Aid Certificate, DBS certificate, PACEY insured, an ICO data certificate and certificates in Safeguarding 1 and 2. My last Ofsted inspection was good, with outstanding areas for safeguarding, wellbeing, interaction and caring for the children.

I am currently caring for children from the ages of 1-11 years and have some availability on certain days.

Drop off and collections from Hardwick Primary School and other schools or bus stops depending on days/times. I also work through the school holidays. I have a seven seated car, which is business covered, taxed and MOT tested and I hold a full clean driving license. The car is fit with safety car seats, appropriate to the children's ages.

We have two cats called Bluebell and Horace, which the children adore.
