

Family Holiday Association

We provide holidays and days out for families who experience disadvantage. Families must be on a low income, have at least one child under the age of 18 years at the time of the holiday and not have had a holiday for at least four years.

Families must also be referred by someone who knows their circumstances in a professional capacity, for example a social worker, support worker, health worker, Citizens Advice Bureau worker, etc. As a small organisation we are unable to work directly with families.

All families must be referred by someone working with them in a supporting role.

For more information the referrer can contact us on Tel: 0203 117 0651, or visit our website where the application process is online.

When is it on?
