

County Durham Families Information Service

Autismlinks

Living with autism isn't easy, but finding out all about it should be. Some estimate that one in every hundred people have autism. There's lots of support and advice out there to help you make sense of the world of autism.

Charities, support groups, and specialist service providers, are all ready to share advice and experience whenever you need it. Our website is dedicated to making those helpful and sometimes vital links by signposting to services and information.
