

Easington Children's Centre

We offer a range of services and activities for children aged 0-5 and their families across County Durham.

As well as delivering services in our children's centres, we also make use of other community facilities and venues such as libraries, community centres, leisure centres and village halls to ensure services are close to where you live and easy to access.

You can find our activities timetable provides in the useful documents section of this page, detailing activities and events for families with children aged 0-5 years in the Easington, Murton and South Hetton areas.
