

County Durham Families Information Service

Northern Print

We are a gallery and printmaking studio based in the heart of Newcastle, just a few minutes from the city centre.

Our printmaking studio is open for anyone to register and use. It's a welcoming space with professional facilities and technical support. If you want to learn printmaking or develop your skills, we run printmaking classes and courses.

Our gallery showcases the very best in modern printmaking with a huge selection of prints to see and buy. We love printmaking and love to share our knowledge and skills. Why not come to one of our events to find out more?

We receive regular funding from Arts Council England and are part of Arts Council's National Portfolio.
