## Wingate Community Childcare LTD

Wingate Community Childcare is a purpose built childcare facility that has been incorporated into Wingate Children's Centre. We work alongside Wingate Community Nursery School.

Childcare will possibly be a child's first venture into the world outside their family, so we believe it is essential that this experience is of the highest quality. We aim to provide a safe, warm, homely environment, which is exciting, stimulating and a place where children can play, explore, talk, learn and have fun together.
